DEBATING TEAM PREPARES FOR TRINITY INTEREST RUNS HIGH

Freshman Candidates for Club Discuss New Cut System.—Activity has Large Membership.

Work is Well Under Way for the debate with Trinity College in Hartford, on Friday, February 16. The speakers have already started to gather material for the debate. C. A. C. will support the negative side of the subject, which is: Resolved, that the 18th Amendment to the Constitution is to the best interests of the American people.

The men representing this college will probably be Eli Collins, '25, Malcolm Stevenson, '27, William Hutton, '25, and Lawrence Loeb, '26, as alternate. The judges will be chosen from a list of prominent citizens whom Trinity will submit to the local debating club for approval.

Strong Activity

The debating club has the largest following of any non-athletic activity on the Hill, having an enrollment of forty members. Due to its rapidly increasing numbers, meetings will be held from now on in Main 7 instead of in Gully 13.

Debate on Cut System

The next home debate will be on the new cut system, which was introduced here at the beginning of the scholastic year. It is scheduled to take place on Wednesday evening,

DAWSON'S BOOK NOW ON SALE AT BOOK STORE

Bible Religion Not Discordant With Up-to-date Scientific Evolution, Is Belief of Storrs Pastor.

"Nineteenth Century Evolution and After," the first book of Reverend Marshall Dawson, pastor of the Community Church at Storrs, is now on sale at the college bookstore. The book was published by Macmillan and Company of New York, after more or less of a dispute with the author, wherein the publisher contended that the book was not dull enough for the average mind.

Mr. Dawson sub-heads his work: "A Study of the Personal Forces Affecting the Social Process, in the Light of the Life-Sciences and Religion." The book has already been hailed as a brilliant piece of work by reviewers and seemingly has a fair chance of attaining great popularity.

A prominent member of the faculty is preparing a review of the book which the Campus will print in a subsequent issue.

HONOR ROLL

The Honor Roll of the College corrected to January 1, has recently been published by the Secretary and contains twenty-six names, as follows:

Herman A. Anderson
Amos G. Avery
Doris E. Barton
Ida Becker
Clayton E. Buckingham
Ernest Collins
Clemens J. Diemand
Thomas F. Donahue
Marion S. Eggleston
Minnie Glass
Alice M. Hubbard
William A. Hutton
Phillip F. Linderson

Katherine Manchester
Florence H. Mathews
Carl Nelson
Daniel E. Noble
Martin F. O'Neil
Elizabeth Parker
Rudolph M. Seymour
Dorothy J. Stellenwerf
Florence G. Tenney
Amadeo H. Trotta
Harold W. Wardle
Nelson F. Waters
George E. Wells

MID-YEAR DANCE MAY BE FORMAL THIS YEAR

T. J. KENNEDY, CHAIRMAN

Novel Effects Expected in Decorations —"Midyear" Will Come February 15.

The Midyear Informal dance will be held Friday evening, February 15, in Hawley Armory. Saturday evening the Dramatic Club will give a play.

The midyear dance is one of the three biggest dances of the year, coming between the football hop and the Junior Prom. It is run by the juniors to defray expenses of Junior Week, which is held some time during May. It comes soon after the "exams" and everyone usually welcomes the opportunity for a good time.

May Be Formal

There has been some discussion on the Hill in regard to changing the dance and making it formal. Many feel that the dance will be more successful by making it formal. No definite conclusion has been reached but the matter is left to the discretion of the executive committee.

The chairman of the decoration committee reports that the general color scheme will be blue and white, and that there will be novel decorations for the patrons and patronesses box and for the faculty space.

Those on the executive committee are: Thomas J. Kennedy, chairman, David L. McAllister and Paul J. McCarron. Those on the decorating committee are Raymond M. Keeler, chairman, Charles Radomski and William Thomson.

In order to give the worthy editors and reporters an even chance to pass the midyears, there will be no issue of the Campus during this period.

CONN. STATE COLLEGE PLAYERS ELECTIONS

MILTON MOORE, PRESIDENT

Other Officers Elected.—New Plays Added to List Acquired by Organization.

Milton Moore, '26, was elected president of the Connecticut State College Players at a meeting held shortly before the Christmas vacation. Other officers elected are Phyllis Smith, '26, vice-president; Marie Bronson, '25, secretary; and George Warrek, '25, treasurer. Professor Howard A. Seckerson, who organized the State College Players to promote the Little Country Theatre movement in Connecticut, has expressed the desire to have the State College Players run entirely as a student activity.

On December 15 the Players presented at Colebrook the following three plays: "The Trysting Place," "Love Among the Lions," and "The Finger of God." Three new plays are being added to the club repertoire. The plays with the probable casts for each are "Fancy Free" played by Lawrence Parker, '24, Thomas Donahue, '24, Irene Ellis, '26 and Sybil Wilson, '27; "The Tenor," played by Cora Lavallie, '25, Sybil Wilson, '27, Frederick Littleworth, '24, Thomas Donahue, '24, Lawrence Parker, '24, Martin O'Neil, '25, and Oscar D'Esopo, '25; and the "The Finger of God" played by Phyllis Smith, '26, Milton Moore, '26, and Vernon Pinkham, '22.

All students who have not subscribed to the Campus will please do so within two weeks. The names of those who fail to subscribe will be published in the Campus unless they have a worthy excuse ready for the business manager within that

CAPTAIN O'NEIL ON ALL CONN. VALLEY TEAM MAINSTAY OF AGGIE LINE

Wally Moreland, Blue and White Quarter, Placed on Second Team.—W. I. Graf, '22, at Guard.

Two Connecticut varsity men of the 1923 eleven, and one former Aggie star, now playing with Springfield College, were rated on the first and second All-Connecticut Valley teams picked by the Hartford Courant's football expert just before the Christmas holidays.

Captain Martin L. O'Neill, '25, of New Britain, Conn., was placed at center. In commenting on his work the "Courant" said:

Defensive Work Outstanding

"In the center of the line there is 'Red' O'Neill, captain of the Storrs aggregation, and one of the mainstays of that aggregation for the last two years. O'Neill's defensive game is a thing of beauty and a joy forever—

providing one doesn't happen to be rooting for the opposing team. His work on defense is the kind that makes it possible for the halfbacks to take a holiday. His passes back approach as close to perfection as possible."

The other Aggie star placed was Wallace S. Moreland, '26, of Salem, Mass., who was named as quarterback on the second team, yielding only to Al Fricke of Wesleyan, who is a sensational back. Moreland was a strong punter, a cool field-general, and an accurate passer. On the rare occasion that he ran with the ball he gave a good account of himself.

William I. Graf, '22, of Stamford, Conn., who after graduating from Storrs went to Springfield to take up physical education courses, was named as left guard on the All-Connecticut

(Cont. on page 8 col. 1)

AGGIE QUINTET IN FULL SWING THIS WEEK

THREE GAMES SCHEDULED

Tufts, New Hampshire, and Springfield Meet Blue and White on Indoor Court.—First Home Game Saturday.

This week will see the basketball season at Connecticut in full swing. Tonight Captain Baylock will take his team to Medford, Mass., where they will play Tufts. It is the first game of the season for Tufts. Their quintette has been greatly strengthened by the addition of Macmahon, a Hartford boy who has been showing up well in practice. After their fine showing against West Point, the Aggie tossers anticipate a victory. The Blue and White team has been going strong in practice and expect to come home with the ball.

Tomorrow night will find the Aggie tossers in Durham to play the New Hampshire University squad. Little is known of the Durham hoopsters, but as they always put out a good team, a contest is expected that will be as good as the usual encounter between these two teams. The Connecticut aggregation has usually been successful in its basketball games with this university, and no deviation from their former record is expected.

Saturday night Connecticut will play one of the most important games of the season against Springfield, a team that is already rated as one of the strongest fives in the east. In their first game of the season Springfield defeated Albany Law by a one-sided score. This will be the first chance the team will have to get into action in Hawley Armory.

FROSH BEAT TWO-YEAR MEN BY 19-16 COUNT

Frosh Stage Late Rally and Come from Behind to Win.—Jones and Shields High Scorers.

The freshman team made good its initial appearance on the Aggie court Monday night by defeating the Two Year men in an interesting game. The school managed to keep the lead throughout the first half, due to some long shots that were caged by Jones. The first of the second half was very slow but with only eight minutes to play and trailing by one point, the freshmen rallied and scored four field goals in rapid succession. They held this lead until the last minute of play when the School scored four points. Jones dropped in the last basket of the game as the whistle blew.

FRESHMAN COURT TEAM MEET TAFT SATURDAY

YEARLINGS BEING PRIMED

Frosh Team Being Whipped Into Shape from Green Material by Alexander.

Taft Prep. School of Watertown, Conn., will meet the freshman basketball team in Watertown next Saturday night. This is the initial contest for the Aggie yearlings and they will have to travel at top speed to win as Taft has a fast team.

Coach Alexander has developed a good combination, considering the fact that only two members of the team have played basketball with a fast high school team. The probable lineup will be Reeves and Andrew at forward, Lane or Smithwick at center and Schofield and Palmer at guard.

Center Biggest Problem

The biggest problem has been the center position, according to Coach Alexander. Lane and Smithwick are being tried out in that position but neither has had much experience.

The frosh have been practicing with the varsity, which has proved beneficial to both teams but the varsity has shown its superiority in all departments of the game. A tendency to dribble excessively is shown by the freshmen and this condition is being removed so as to develop team work.

SENIORS AND SOPHS TAKE FIRST OF SERIES

CLASS SPIRIT DEVELOPS

'24 Defeats Juniors and '26 Take School into Camp in First Inter-class Basketball Games.

Class basketball opened the 1923-24 basketball season at Hawley Armory Monday, December 17, when the seniors defeated the juniors and the sophomores took the School of Ag. into camp.

The games were well played considering the fact that they were the first games of the year. Good class spirit was developed for these first encounters.

The junior outfit, resplendent in flashy jerseys, held the seniors during the first half, but the latter forged ahead in the second half with some lucky shots and were leading 27-17 when the final whistle blew. Donahue of the Seniors starred, shooting seven baskets from the floor.

The sophomores easily outclassed the School of Ag. by trouncing them 26-10. Seymour and Allard of the Sophomores played well and caged 11 baskets between them.

The Lineups

Seniors	Juniors
Lawson	Radomski
Donahue	Kennedy
Bamford	M. Eddy
Purple	Swem
Eddy	O'Brien
Sophomores	School

WEST POINT NOSES OUT AGGIE FIVE IN CLOSE GAME 17 TO 15

CONNECTICUT PLAYS GREAT DEFENSIVE GAME

Billy O'Brien and Jake Dunn Star for Aggies.—Captain Baylock Injured—Plays Part of Game.—Aggies Lead in First Part of Contest.

Free Throws

The Soldiers got a surprise again this year when the Aggies held them to a 17-15 score in the annual game. Two years ago they were more surprised yet though, for the blue and white handed them a 33-31 trimming on their own court, and it was the first time they had been beaten there in several seasons.

Looks as if the basketball team may surprise us the same way the football team did. Tufts, New Hampshire and Springfield, all strong teams, are to oppose the Sodbusters on the court this week. The results will give us a good line on the quintet.

Glad to see Captain "Petey" back in the lineup. The little forward travels fast.

How about an undefeated frosh basketball team?

According to all reports, O'Brien and Dunn did some clever work in the West Point game. "Bill" made four field goals, and the whole Army team only made five.

Girl hoopsters are all set to go. Watch their smoke!

Drop around at the class games once in a while.

ALLARD STARS AS SOPHS TRIM JUNIORS 18-9

The sophomore basketball team continued its winnings by defeating the fast senior five, in Hawley Armory, Monday night, by a score of 18 to 9. The champions of last year showed some of the old time form and Manager Moore believes that he can build up another championship team. The score does not show the strength of the sophomore team as they were never in danger and therefore took things easy. Allard made five field goals for the sops and played a fast floor game. The line-up:

Seniors	Sophs
Lawson	Allard
Donahue	Ahern
Bamford	Greer
Purple	Longo
Eddy	Brink

Seymour, Putnam	LF	Ibbotson
Allard, Donovan	RF	Launagon
Greer, Squires	C	Jones
Brink, Kane	LG	Glisburg
Bitgood		

In a hotly contested game that was featured by great defensive work on the part of both teams, Connecticut, playing her first game of the season, lost to the Army at West Point on December 19 by a score of 17-15. It was the third game in as many years between the Aggies and the West Pointers, and both teams fought from the first whistle for the third and deciding game of the series.

Connecticut, entering the game without a letter man in the lineup, was not conceded a chance by the advance dopsters, but during the game the Aggies forgot all about the advance dope, and proceeded to throw a genuine scare into the soldier outfit.

O'Brien and Dunn Shine

For Connecticut, the work of O'Brien and Dunn featured. O'Brien, with four baskets from the floor and one foul, accounted for 9 of Connecticut's 15 points, while Dunn, playing at right guard, took the ball away from Vichules, Army ace, time and time again. It was to the accurate foul shooting of this same Vichules that the Army owes its victory, for the lanky captain gathered seven points in as many tries from the foul line, just enough to give his team a scant two point margin of victory. In shooting baskets from the floor Connecticut, with six, was one better than the Army, but the more accurate shooting of the foul shots by Vichules more than made up the difference.

Aggies Flash into Lead

The Aggies took the lead at the start of the game when O'Brien dropped in a couple of baskets from the side of the court, and at the end of the first five minutes of play, Connecticut led the Army 5-2. From then on it was a close battle, and at half time the Army led 10-8.

In the second half the Aggies worked hard to get out in front again, and baskets by Seymour and Eddy boosted the Aggie stock four points more, but Vichules' work from the foul line kept his team in the lead. Dunn was removed in the second half because of personal fouls, and Captain "Petey" Baylock, though injured, took his place. Throughout the game, the Aggies, though weak offensively, showed a strong defense, and the Army forwards were unable to try anything but long shots.

Lineup

Ellinger	LF	O'Brien
Vichules	RF	Seymour
McFarland	C	Eddy
Dabiezies	LG	Dunn
Stickler	RG	Bitgood

Score: Army 17; Conn. 15.

Baskets: Ellinger 3; Vichules, 2; O'Brien 4; Eddy; Seymour. Foul Points: Vichules 7; O'Brien; Dunn; Baylock. Referee, Reed, Springfield. Umpire, Benson, Columbia.

CAMPUS PHILOSOPHER

The Philosopher believes that this will be about the only column in any newspaper where the columnist does not wish his readers a Happy New Year.

Look them over and see for yourself.

—CP—

The C. P. longs for leisure in which to read some books he has long been itching to get hold of—if the New Year gives him a chance to read them he will remember 1924 long after it has trailed the other dead years into oblivion.

—CP—

The Philosopher went home to be a man about town, even though he is a man about eighteen. (Contributed by E. R. C.)

—CP—

Like a corkscrew, exams are rather boresome.

—CP—

Many a co-ed pines for the pines.

—CP—

Why not give the profs an intelligence test?

—CP—

The Campus is to institute a contest among the co-eds to find out which is their favorite brand of cigarettes.

—CP—

Singular that the local cider magnate was elected Harvest King.

—CP—

We are told that girls at Connecticut College in New London read this column. It is now up to someone to put them right with the Philosopher. As they may have surmised, he is not yet grayhaired.

—CP—

Waterbury is a good place after all. The C. P. had a job in Dallas' florist shop there during the first week of the vacation which was O. K. Lots of nice girls—selling flowers—and so on. The business manager of the Campus was quick to take advantage of the opportunities presented.

—CP—

The statesman gets fame; the politician gets rich; and the public gets left as usual.

—CP—

Hope—"My father has a genuine Whistler at home."

Dutch—"That's nothing; my father has a Marmon."

—CP—

The Sentence of the Week

Take what is; trust what may be; that's life's true lesson.

—Robert Browning.

—CP—

All teeth that glitter are not gold.

—CP—

No, gentlemen, yellow is not the college color; it is merely the thing in rain protection.

THE GLEE CLUB

For a number of years Connecticut has supported a men's glee club that has held an important position among the many activities on the campus. Concerts at the college and in towns in the state have furnished both entertainment and information to residents of the state about a side of life here on the Hill other than athletics. Two years ago the club was reorganized, its size was reduced and requirements for membership were raised.

This year the club suffered a serious drawback in having to start the year without a coach. Also, graduation last June reduced the personnel of the club to one-half its usual membership. The latter trouble, however, was much the less serious of the two. A number of possibilities for a coach were considered, but the club finally obtained the services of a man whose musical training and experience with a university glee club makes him a highly valued addition to the organization at Connecticut.

Though somewhat hindered by delay in starting, the Club has begun work with the intention of making the best use possible of the time remaining between now and June. Plans call for the giving of as many concerts as possible during that time. A call for candidates has been issued and a number of men have already tried out. There is still need, however, of more candidates. It is hoped that this activity will be given the support it deserves so that the Glee Club can continue its good work at Connecticut and for Connecticut.

THE NEW YEAR

With the advent of another year on the Hill probably the usual number of resolutions have already been made and broken. It is, however, the opinion of many that the months which preceded the Christmas recess were not utilized, to their full value, in both activities and studies. Just why this has happened no one seems ready to answer but the fact remains and there are few who care to deny it.

Interest has been lacking in almost every activity and there have been few, if any attempts, to revive former enthusiasm. The motto of all has appeared to be "Let someone else start it"—but the someone has not appeared. However, there is no time like the present and there is yet ample time to make up for the things which have not been done. The coming of a new year is, without exception, the signal for various reforms and revivals all over the country, so why not do a little of it at Connecticut? A good start will be a great impetus and if this is followed up earnestly there can be no doubt as to the result.

Along this line the Campus has already met and arranged plans for the coming months which will be put in operation early in the week. Barring accidents, the paper will appear on the Hill regularly every Tuesday. With the sincere cooperation of the Board and reporters the Campus will endeavor to make up for its shortcomings during the first semester.

Thus the ball has already been started rolling and if the other organizations and individuals will fall in line there is no doubt that June will leave everyone with a fuller feeling of satisfaction for the work of the year.

MID-YEAR FORMAL

The committee have already been appointed by the president of the junior class for the dance which has been formerly known as the Mid-Year Informal. For the past several years this affair has been formal for ladies and informal for men and of late this idea has been the subject of much criticism.

There has been something said about having the affair turned into a Military Hop. The suggestion has met with both favorable and adverse comment. There seems to be no question that such a dance would be a success. A Military Hop is held at many other colleges and is one of the big social events of the year. The one drawback is that many members of the unit would be unwilling to appear in their present serge and whipcorn uniforms while the members of the two upper classes who do not engage in drill could be resplendent in evening clothes. If this difficulty could be removed there would seem to be no further objection on that score. But, there appears to be no solution to this problem and a Military Dance would be only a mockery of the name if no one appeared in uniform.

The other alternative is to make the affair formal for members of both sexes and this, at the present time, seems to be the only feasible means of solving the problem. If such a step

ASSEMBLY HOUR SPEAKERS
FOR JAN. ANNOUNCED

Program for Remainder of Year at
Present Nearing Completion in the
Hands of Committee.

Dr. H. K. Denlinger, chairman of the assembly committee, has not yet completed the program of speakers for the remainder of the college year, but the month of January the following speakers will appear at President's Hour.

Tomorrow Dr. J. A. Cousens, president of Tufts College, will address Assembly. His subject is not definitely known, but it is supposed by Dr. Denlinger that the speaker will choose a topic dealing with some of the most vital educational questions of the day. Next Wednesday, January 16, Dr. E. W. Sinnott, Dean of the Science Division, will address Assembly. The week following is examination week, and there will be no President's Hour during that time. On the last Wednesday of the month, January 30, the postponed freshman-sophomore debate will be held.

WORK ON GLEE CLUB
PROGRAM COMMENCES

Rehearsals of the Men's Glee Club started upon the return to College last week and will continue steadily for the remainder of the college year.

Fourteen men responded to the call for candidates issued just before the Christmas vacation. There is still opportunity for anyone interested to arrange for a try-out, but these arrangements should be made at once as the personnel of the club is to be determined within the next two weeks. After that time there will be no opportunity for try-outs this year. The present plans call for three rehearsals each week, on Monday, Wednesday and Friday evenings at seven o'clock. Rehearsals will be held in Main 10, the Club's room on the third floor of the Main Building, over the library.

SOCIAL COMMITTEE DISCUS
PLANS FOR DANCES

At a Social Committee meeting, held on Friday afternoon, it was decided that the committee would once again take over the Saturday night dances and make themselves responsible for the fees paid to the orchestra. It was thought feasible to continue with the freshman orchestra, provided they were willing to agree upon the price which the committee could afford to pay for music. After a short discussion on open dates, it was found that January 26th was a convenient time for the seniors to open the season by their "Novelty Saturday Night Dance." The Juniors will follow suit on the night of February 22nd. Both classes are now working on this new feature which will be introduced and continued if found satisfactory.

is to be made it should take place in the near future as the dance is only little more than a month hence.

WINTER SPORTS PROVE
POPULAR PASTIME HERE

First Real Evidence of Winter Brings
Out Discarded Skiis, Hockey Sticks
and Toboggans.

With a slight covering of snow on the old terra firma and the promise of more in the near future, together with the fact that both of the local ponds are suitable for skating, the Aggies have gone in for the usual winter sports with great zeal.

The first cold weather and snow of the past two weeks has been sufficient to bring out all the unused implements which are in vogue when King Winter reigns supreme and pinochle bridge, Mah Jong and the lesser indoor sports have fallen into the discard. Swan and Mirror Lakes have been the scene of the activities of the ice experts who have had their first opportunity to show their prowess. Plans are being made for interclass hockey games and these contests will take place in the near future if the weather permits.

Ski and toboggan enthusiasts have also been able to swing into action and after the first taste of speeding down the snow covered hills of Mansfield are joining with the knights of the steel runners in praying for snow and cold weather. And still best of all some enterprising youth has even suggested a snow carnival, said affair to come after the mid-year exams and to mark the passing of a great shadow which will not again loom on the horizon until June. (Surely this would be fitting and proper) Ed. Note.

NON-LIBELOUS

A new reporter on a daily paper was assigned to gather police news, with the customary warning as to the importance of accuracy and the danger of libel suits if his statements were not properly qualified. He was told that unless facts were fully proved it was always safer to make use of such terms as alleged, and others similar.

It happened to be the vacation season and the newspaper office was shorthanded. In an emergency the new reporter was called on to write up a society function, and this is the way he did it:

"A woman giving the name of J. C. Jones, who is reported to be one of the social leaders of the city and claims to reside at 1749 Capital Hill avenue, is said to have given what purported to be a reception yesterday afternoon. It is understood that a considerable number of so-called guests, reported to be ladies notorious in society circles, were present, and some of them are quoted as saying they had enjoyed the occasion. It is charged that Bower furnished the alleged refreshments and Stringham the purported music. The hostess is said to have worn a necklace of alleged pearls which she declares was given her by her reputed husband."

—Topeka Capital.

Donald H. Lawson, '22, sailed December 8 for Costa Rica, where he has entered the employ of the United Fruit Co.

CONSTITUTION OF BLUE AND WHITE CLUB

Sophomore Honor Club to Care for Visiting Athletic Teams at Connecticut.

The committee of the Student Senate has worked out the following constitution governing the newly-instituted Blue and White Club, which will take care of visiting teams and undertake other duties of a similar nature.

Article 1.

Name: The name of this organization shall be the Blue and White Club of the Connecticut Agricultural College.

Article 2

Purpose: The purpose of the Blue and White Club shall be to entertain visiting athletic teams and to extend to them the courtesies of the Connecticut Agricultural College.

Article 3

Membership: The membership of the Blue and White Club shall consist of ten sophomores who possess the qualifications of personality and character.

Article 4

Manner of Election: The members shall be nominated by the Student Senate whose nominations shall be ratified by the sophomore class.

Article 5

Duties: The duties of the members will be to receive visiting athletic teams upon their arrival on the Hill; to see that the visitors are properly entertained and cared for during their stay on the Hill before and after the game; and if it is necessary for the team to stay over night to see that provision is made for housing the team.

Article 6

Section.. 1. Organization: There shall be one officer in the Club. He shall be a senior member of the Student Senate who shall be elected by the Senate, and whose position in the Club will be that of Chairman.

Section 2. Duties of Chairman: The chairman shall see that the members of the Club are fulfilling the purpose of the organization; that the members of the visiting teams are divided evenly among the members of the club; he shall settle all questions which arise as to the management of the Club, and the duties of the members; and he shall preside at all meetings of the Club and carry out the commonly accepted duties of the chairman of any organization or committee.

Section 3. Appeals: Any decision or request made by the chairman which any or all members of the Club feel is unjust to himself or to the Club may be brought by the Club before the Student Senate for consideration. The decision of the Student Senate shall be final.

Article 7

Meetings: There shall be no regular meeting of the Blue and White Club. The chairman shall call a meeting whenever one is deemed necessary, or in the absence of the chairman, any member of the Senate when the necessity arises.

Article 8

Time of Election: The members of

BENJAMIN FRANKLIN
1706-1790

Printer, journalist, diplomat, inventor, statesman, philosopher, wit. One of the authors of the Declaration of Independence and the Constitution, author of Poor Richard's Almanack; and one of the most eminent natural philosophers of his time.

Electrical machines bearing the mark of the General Electric Company, in use throughout the world, are raising standards of living by doing the work of millions of men.

But nobody had thought to do it

By bringing electricity down from the clouds over a kite string, it was a simple thing to prove that lightning was nothing more than a tremendous electrical flash.

For centuries before Franklin flew his kite in 1751 philosophers had been speculating about the nature of lightning. With electrified globes and charged bottles, others had evolved the theory that the puny sparks of the laboratory and the stupendous phenomenon of the heavens were related; but Franklin substituted fact for theory — by scientific experiment.

Roaring electrical discharges, man-made lightning as deadly as that from the clouds, are now produced by scientists in the Research Laboratories of the General Electric Company. They are part of experiments which are making it possible to use the power of mountain torrents farther and farther from the great industrial centers.

GENERAL ELECTRIC

the Blue and White Club shall be elected in September in sufficient time to permit them to properly arrange and care for the team that plays the first home game on the football schedule.

Article 9

Section 1. Removal from Membership: Any member of the Club who fails properly to fulfill his duty as a member can be removed from the Club by a two-thirds vote of the members, and by obtaining the approval of the Student Senate, or by a two-thirds vote of the entire members of the Student Senate.

Section 2. Removal of Chairman: The chairman of the Club is subject to removal from office only by a two-thirds vote of the entire Senate after full consideration has been given his

case and sufficient proof established to warrant his removal. If, in the opinion of the Club, the chairman is not fulfilling his duty, the members may, by a two-thirds vote of the Club and by presenting sufficient proof, ask the Senate to remove the chairman from office.

Article 10

Amendments to Constitution: Amendments to this constitution can be made by a two-thirds vote of the members of the Club, subject to the approval of the Senate. If the Senate desires to amend this constitution it shall present the amendments to the Club for their consideration before the amendment is made.

Insignia

The insignia of the Club shall be a

line" to Storrs. Did consider the cars misnamed, as little air was available inside them. Many Aggies, in various stages of convalescence, were aboard the Limited. The train stopped in the open country before reaching Middletown, seemingly in order to store up strength enough to make an impressive entry into that village. To Willimantic in due season after sincerely believing several times that the train was making its last run.

Found things as usual, only more so, on the Hill. Was glad to welcome the gentry back, and reclaim various articles of wearing apparel surreptitiously borrowed by friends. The outpost of civilization was unduly bleak and desolate in its covering of snow, therefore back to Hartford, with friends, during the night, to look the city over. To bed at 3:30 Thursday morning; troubling deaf heaven with the usual prayers.

NEW TESTER ADDED TO CREAMERY EQUIPMENT

Important Addition to Plant Places
College in Front Line in Creamery
Work.

Recently there has been installed in the creamery a Majonnier Tester for testing fats and total solids in the dairy products department. At the present time this piece of apparatus is standard equipment in all of the larger milk plants.

During the last few years there has been a steadily growing demand for men trained in dairy manufacture, chemistry and bacteriology for positions as sanitary experts, dairy chemists and dairy bacteriologists, a demand requiring ability to operate Majonnier testers. This fact combined with the fact that last year twelve men from C. A. C. went into this line of work in dairy manufacture, with special interest in the chemical and bacterial control of dairy products, caused the dairy department to purchase and install a tester.

The addition of this appliance places Connecticut in line with the leading institutions in creamery work, Massachusetts being the only other college in New England to have such a tester. The use of the machine is being taught in a new course known as applied dairy science.

Why Young Men Should Consider Insurance Selling

Seven Reasons for Life Insurance Career

LIFE INSURANCE is founded on the highest ideals.

It is capable of yielding a good income and the satisfaction of accomplishment.

It offers opportunities for real leadership.

It brings insurance salesmen in close association with big business and big business men.

It requires education in business methods, law and finance.

It is a field for workers, not shirkers.

It is an alluring and practical calling for men of dynamic energy.

SENIOR GIRLS TO TEACH IN STATE

Beginning January 28, the Senior girls who are taking the teacher training course in Home Economics, will go out to train for a month, according to the requirements for a Smith-Hughes degree. This year ten girls will assist the Home Economics teachers in the following places: Marion Eggleston at Seymour; Louise Ferriss at New Milford; Helen Townsend at Waterbury; Charlotte Wood at Willimantic; Sarah Fuller at Willimantic; Elizabeth Hamilton at Hartford; Margaret Hall at Norwalk; Isabella Moddell at Bridgeport; Hazel Palmer at Hartford; and Florence Teeter.

Upon returning to College they will go into the new practice house for six weeks.

GIRLS GLEE CLUB WILL SING AT WABL

The Girls' Glee Club, composed of about thirty members, will give a radio concert, from Station WABL of Storrs, at 8 o'clock, Friday night, January 11th. The program will consist of part songs, readings and piano duets.

The Glee Club, under the direction of Mrs. M. J. Farrell, is also working on a musical program, to be given in the Armory some time during the first part of February, the exact date of which is yet to be decided. It will contain some novel feature, such as was used last year.

MONTEITH SOCIETY TO DISCUSS FICTION

The Montelith Art Society will begin the new year by holding a big meeting on Wednesday evening, January 9th, at seven o'clock in the Assembly Room of Holcomb Hall. This will be the first meeting entirely in charge of the girls. Previously they have been led by outside speakers. The subject of the meeting will be "Modern Fiction," and the speakers will be Marie Bronson, Hazel Pierpont and Phyllis Smith.

Varied and interesting programs have been planned for the remainder of the year. The day of meeting has been changed from Monday to Wednesday, and the dates are planned for the second and fourth Wednesdays of each month.

CO-EDS MEET WINDHAM HIGH ON FRIDAY

Under the captaincy of Florence Teeter, the co-ed varsity basketball team will play its first scheduled game on Friday evening, January 11, at seven o'clock in the Armory. Although the line-up has not yet been announced, the calibre of the eligible players bids fair to knock several points off the opponent's score.

Manager Elizabeth Hamilton, '24, has submitted a good schedule of the games for this season, and if training, work and coaching mean anything, Connecticut's co-eds should do well this year.

SENIOR CO-EDS OVER- WHELM JUNIORS 32-8

It is quite evident that the senior girls are out for scalps this year and if they go out for their victims with the vim they showed Monday night, January 9th, freight cars will be needed to keep them in check. The Misses Wood and Ferriss piled up the score for the seniors to the height of 32. However, the game was fast throughout and the juniors deserve much credit for the fight they put up against a team that was evidently their superior.

The line-up was as follows:

Juniors		Seniors	
Slanetz	lf	Wood	
Clarke	rf	Ferriss	
Graf	c	Hall	
Stellenwerf	rc	Teeter	
Cooke	lg	Moddell	
Coppola	rg	Parker	
Field goals: Slanetz 2, Clarke 2, Wood 12, Ferriss 4. Score: Seniors 32, Juniors 8. Referee, Dole.			

"AG" STUDENTS AT ILLINOIS

are feeling justly proud of their University for developing the State Champion cow, Illini Dulcina De Kol.

Her record yield was 24313.2 lbs. milk, 1245.21 lbs. butter in one year. In addition to being Illinois Champion, this Holstein is the first 1200 lb. cow the State has had.

Students who are some day going to be vitally interested in heavy milk production and good feeding in their own barns, should know that DIAMOND CORN GLUTEN MEAL was a substantial part of Dulcina's ration during her record year. DIAMOND, in fact, was the protein basis of the mixture.

Remember this when you start feeding your own cows: *You can count on DIAMOND for large yields without sacrifice of good health.*

WORK PROGRESSING RAPIDLY ON NUTMEG

Group Pictures Arranged for Coming Week.—Individual Photographs Already on the Hill.

With the literary work nearing completion and much of the photography already finished the 1924 Nutmeg is far on the road to its publication which will occur in Junior Week. Thus far the members of the local board have been working at top speed and the amount of material completed is far in advance of that of previous years.

Mr. Gerry, of Willimantic, who has charge of the photography has finished the individual photographs and the majority of these were on the Hill before the holidays. In every instance there was considerable satisfaction over the quality of the work done and if the engraving is carried on with equal care there seems to be no doubt that the pictorial end of the yearbook will be on a par with that of previous years.

(Cont. from page 1 col. 4)

Valley eleven. While playing center with the Aggies in 1921, Graf made the second All-Connecticut Valley team. The "Courant" says of him:

"Beano" Graf, center on the Connecticut State eleven in 1921 and a star with Springfield in 1922, again played great football at Springfield this fall. Graf and Farnsworth, one of the powerful Williams linesmen, seem to form an ideal pair of guards, a pair that would be well nigh impregnable on defense and that would always have a hole waiting for their backs on defense."

All-Conn.-Valley Elevens Picked by "Courant" Expert
First Team

Healy (Williams)	Left End
Surabian (Williams)	Left Tackle
Graf (Springfield)	Left Guard
O'Neill (Conn. State)	Center
Farnsworth (Williams)	Right Guard
Stoeber (Springfield)	Right Tackle
Fisher (Williams)	Right End
Fricke (Wesleyan)	Quarterback
Keating (Trinity)	Right Halfback
Bowarth (Wesleyan)	Left Halfback
Clement (Williams)	Fullback

Second Team

Salmon (Mass. Aggie)	Left End
Le Ganke (Wesleyan)	Left Tackle
Frost (Williams)	Left Guard
Barnes (Williams)	Center
Dunn (Wesleyan)	Right Guard
Terrell (Trinity)	Right Tackle
Watters (Springfield)	Right End
Moreland (Conn. State)	Quarterback
Reusswig (Amherst)	Right Halfback
Howe (Williams)	Left Halfback
Kennedy (Trinity)	Fullback

The following colleges placed men on the teams:

First Team: Williams 5, Springfield 2, Wesleyan 2, Trinity 1, and Connecticut 1.

Second Team: Williams 3, Trinity 2, Wesleyan 2, Connecticut 1, Amherst 1, Springfield 1, and Massachusetts 1.

Four Massachusetts colleges and three in Connecticut are included in the All-Connecticut Valley classification. They are: Williams, Amherst, Mass. Aggie, and Springfield; Conn. Aggie, Trinity and Wesleyan.
